

Fundamentals of Electronics Summer Workshop Northern Arizona University

Two days of fun and hands-on experiences in the world of electronics. Come and engage in making fun kits, learn about electronics, visit engineering labs, tour NAU campus, and explore beautiful Flagstaff. Led by Dr. Kyle Winfree and his graduate students, this unique experience will be your gateway into exploring Engineering and Electronics to give you a better idea about your future pathway.

When:
July 8-10, 2024

Location:
College of Engineering Informatics & Applied
Sciences (CEIAS)
2112 S Huffer Ln, Flagstaff, AZ 86011

Join us for exploration
and discovery in the
world of engineering!

Participate in interactive
sessions led by NAU's
expert faculty and staff

Explore NAU campus
opportunities for
prospective students
