

NAU IN PORTUGAL:

Mathematics in Lisbon

June 20 – July 11, 2026

STEM students!

Interested in spending 3 weeks in Portugal while earning math credits?
Sign up for NAU in Portugal!

Earn a total of 3 credits in

- **MAT 239**, Differential Equations **or**
- **MAT 316**, Introduction to Linear Algebra **or**
- **MAT 497**, Independent Study (with permission)

We will learn mathematics mid-morning through early afternoon on weekdays and spend the rest of our time on excursions to two UNESCO World Heritage sites, as well as to numerous neighborhoods, museums, palaces, cathedrals and eateries.
